THANK YOU!

The Gathering was a wonderful event and it was fun to see the children and families enjoying time together. We had many outstanding volunteers from the school and parish and I thank you all for your time and efforts. Thank you also to the donors and attendees for helping to make the event a success. SCHOOL ADVISORY COMMITTEE

Our School Advisory Committee (SAC) will be holding the first meeting on October 1, 2024. We are blessed to have Mr. Truso, Mr. Stofen, Mrs. Bormann and Mr. Sanchez serving on the SAC. There will be an additional member from the Pastoral Parish Commission also serving on SAC and that person will be announced once the committee assignments are completed.

I have submitted a draft of the SAC Bylaws to Father Klockeman and Lynn Arnal (Parish Business Administrator) to seek approval from the Pastoral Parish Commission. Once they are approved, they will be shared with stakeholders and posted on our website along with meeting dates, agendas and minutes.

IF THE DOORS ARE CLOSED

A quick reminder that doors in the morning close at 8:30 a.m. All students should be in the building by that time. Once the doors are closed, please bring your children to the office and sign them in to school. Thank you.

MAP TESTING BEGINS

The NWEA MAP tests (standardized tests) will begin on Monday and run throughout the week. Please help your child get a good night's sleep, eat a healthy breakfast, bring a healthy snack and water bottle throughout the week. The individual teachers can provide you with specifics to the dates and times of their tests, but most will do them in the morning when the students are fresh.

Results will be shared with parents once the testing is completed. Teachers and I will go through the data and set goals for the students based on their individual needs. I am looking forward to seeing the data and sharing some insights with the stakeholders.

As always, thank you for your prayers and support for St. Bart's.
