CATHOLIC SCHOOLS WEEK NOTES OF GRATITUDE & PRAYER

We would love to have the students or parents write a thank you note to their teacher(s) or other staff members to thank them for their hard work and dedication or share what they love about that teacher or how they have made a difference in their lives. You can also let them know that you are praying for them, which is always appreciated. Please send the notes into the teachers with your child or have them dropped off at the office and we will deliver them. You can also send them an email if you prefer. Your child can send as many notes as they wish and include previous teachers who are still at St. Bart's. Thank you for your consideration.
