

The Bulldog Bugle

SUMMER EDITION

August 9th, 2024

FROM THE DESK OF PRINCIPAL VANCE

Hello Parents,

Thank you to those of you who have shown an interest in serving on the School Advisory Committee and to those who completed the survey. I have read your feedback and have heard what you had to say. Please watch for the following changes as we move into the new school year:

Catholic Identity - Great news, we will be taking the next steps to further strengthen our Catholic Identity through participation in Adoration, the Rosary, Virtues in Practice and Fridays with Father.

Academics - Throughout this school year, we will evaluate our curricular materials, standards and make the necessary adjustments. There were suggestions related to more advanced opportunities and that additional supports were needed. We are looking at a possible change in math, but will let you know more as things develop.

Report Cards - We will be examining the report cards during workshops. In addition, our 4th and 5th graders will be receiving letter grades beginning this year. This will assist them with the transition to middle school and high school as they better understand the impact of studying and trying their best.

I look forward to working with you and helping your children grow in faith, knowledge and virtue.
