STEM CAMP
June 17 - 20

Students will learn about STEM: Science, Technology, Engineering, and Mathematics. They will participate in hands-on projects to foster creativity, problem solving, and collaboration when it comes to the four areas of STEM.

EXPLORE WAYZATA
June 24 - 27

Students will enjoy learning and exploring our great city of Wayzata. There will be walking field trips to Wayzata Beach, Klapprich Park, Luce Line, volunteering at Folkstone and more.

ART CAMP
July 8 - 11

Students will have the opportunity to build, craft, paint and express themselves with a variety of projects. Kids will work with different medias and get to take projects home at the end.

CATHOLIC KIDZ CAMP
July 15 - 19

Students will spend a faith-filled 5 day summer week praising GOD. Students will love this week filled with music, games, crafts, and faith. Sign up students in Grades 7 and 8 to be Jr. Leaders.

MUSIC/PERFORMING ARTS
JULY 22 - 25

Students will develop their creativity and imagination by singing, dancing, and acting. Kids will have the opportunity to participate in readers theater, make musical instruments, and preform in a talent show.

OLYMPICS
JULY 29 - AUGUST 1

Students will learn about the history of the Olympics, participate in sport challenges, and watch some of their favorite sports from the 2024 Paris Olympics!

COOKING CAMP
August 5 - 8

Students will learn to cook a variety of different fodds such as zucchini bread, a frozen summer treat, and salsa. We will even use the food grown at the St. Bart's School garden!

NATIONAL PARKS
August 12 - 15

Special guest, Ms. Gabel, is sharing her love of National Parks! Students will take virtual field trips to a variety of national parks, learn more about the importance of nature, and even become a park ranger.
